The Hongkong Literary Society will com-
mence its session on Thursday evening. The
business for the first meeting will be found ad-
vised in another column.

A Shanghai medical man was recently making
inquiries as to the nationality of some patients
belonging to a vessel in port, and asked if they
were Chinese or foreigners. "Neither," replied
the captain, "they're Irish." It is useless to
say that the captain was himself an Irishman.
—Daily News.

His Excellency Chang Chi-tung has decided
to come down to Hongkong to-morrow, and will
proceed to Shanghai, with his family and suite,
by the German mail steamer *Prinzess*. We
hear that one of the ex-Viceroy's officers has
made a contract with the steamer's agents
(Messrs. Harcourt and Co.) for special accom-
modation for the party.

We learn from the Chinese Times that Baron
Clemens Kettner, who during the absence of the
Minister, Herr von Brandt, has been acting as
Charge d'Affaires of the German Empire, has
been named to the post of Minister, and will
take office on the 1st of December. The
German Government recently received the
Token-Drageon of the second class, a decoration
which under ordinary circumstances is only
awarded to Envoys Extraordinary.

The Band of the A. & S. Highlanders will
play the following programme at the Officers'
Mess this (Tuesday) evening, commencing at
8.15 p.m.:—
Grand March, "Triumphal." Robert
Vale. "Golden Myrtle." Fairbairn.
Polka, "The Rose Tree." Macleod.
Song, "The Rose Tree." Macleod.

We learn from a telegram in the San Fran-
cisco Chronicle that the American ship *Lauder*,
bound from the Philippines with sugar for
Boston, put into New York on the 27th October
last, and was detained by the Customs. On the
vessel they found one of the sailors, a
Russian, in irons, for attempting to assault the
chief officer with a knife. The captain, Charles
Smith, had died on the voyage of rheumatic
fever.

Our Anjer correspondent, writing under date
of the 15th November, says:—The Dutch barque
Torricelli II, Captain, formerly from Batavia,
arrived at Anjer with a cargo of coffee be-
longing to the Government, came to anchor in
our roadstead on the afternoon of the 13th inst.
to take to the shore, and the same evening
a heavy squall set in, and the vessel was
driven ashore and wrecked. She has since been
raised, and is being towed to the wharf. The
cargo is being landed with all despatch.

Mr. Dorabjee's old ferry-boat, *Morning Star*,
which has for many years been engaged in the
Kowloon service, has been replaced by a handsome
and more commodious launch of the same name.
The dimensions of the new vessel are: length,
30 feet 3 inches; depth, 5 feet; breadth, 10
feet 3 inches; 75 tons, moulded, 7 feet. She
has compound engines, condensing engines, and
on her trial trip on Saturday last, she made
a speed of 10 miles per hour. She is licensed
to carry 104 passengers in all. She will
commence to run between Potters' Wharf
and the Hongkong and Kowloon Wharf and
Godown Company's wharf at Kowloon to-day.

The following items are from the *London*
Express of the 25th October:
Reports received last night from Aden state
that the salvage operations on the *Andover* were
almost completed, thanks to the technical
knowledge of the agent of the insurance com-
panies in Paris who was sent to the spot. The
sloop was much damaged, but the French Com-
mander and his staff, the French Consul,
and the French crew, were saved.

We hear that the Chinese Government are
giving very active aid to the railway
question, and that several local lines in the
neighbourhood of the capital are spoken of. His
Majesty the King is mentioned as wishing
to have a large proportion of the railway
lines in the hands of the Chinese. This will
give a good deal of employment, and should
largely aid in fostering prosperity along the
routes selected.

As we have already reported, there is some
talk of a "corner" in tea, though how it is to
be managed we leave to the wits. The tea
market is very active, and it might with ad-
vantage turn to the figures and advice of
1879, when a "corner" was then tried. The
consequence of the attempt was a very heavy
loss to the speculators, and a very heavy loss
to the public. It is very certain it could, and
should, be avoided. It is very certain it could,
and should, be avoided. It is very certain it
could, and should, be avoided.

"Mercator" writes to a contemporary pointing
out that when the Chinese Railway is extended
to Canton, the commercial importance of that
city will be increased, and brought back to
what it was before the establishment of Hong-
kong, which it may possibly in time eclipse.
The Chinese are shown to see this, and are
very anxious to avoid it. They will have a
large proportion of the railway lines in the
hands of the Chinese. This will give a good
deal of employment, and should largely aid
in fostering prosperity along the routes
selected.

The Band of the A. & S. Highlanders will

Mess this (Tuesday) evening, commencing at
8.15 p.m.:—

Vale. "Golden Myrtle." Fairbairn.
Polka, "The Rose Tree." Macleod.

We learn from a telegram in the San Fran-
cisco Chronicle that the American ship *Lauder*,
bound from the Philippines with sugar for
Boston, put into New York on the 27th October
last, and was detained by the Customs. On the
vessel they found one of the sailors, a
Russian, in irons, for attempting to assault the
chief officer with a knife. The captain, Charles
Smith, had died on the voyage of rheumatic
fever.

COLONY OF HONGKONG.

REMOVAL OF OLD CEMETERY.

THE Old Colonial Cemetery, at Wan-tai, of the Colony, having become surrounded by a dense population of Chinese of the poorer classes, it is found difficult to keep it in a condition of decency and cleanliness, and it is therefore proposed that it be removed to a more suitable site, and that the remains which may be found there be re-interred in the new cemetery.

The monuments will be repaired and grouped round a plain memorial stone on which will be stated from what part of the Colony they have been removed.

Survivors, friends, or relatives who may desire to make any objection to this removal, are requested to address the Colonial Secretary of Hongkong within six months from this date.

A list of the remaining monuments is appended.

By Command, A. LISTER, Acting Colonial Secretary.
